

# **Material Safety Data Sheet**

**Identity: Finn GreenPlus**

## **Section I**

Manufactured for Finn Corporation, 9281 LeSaint Dr. Fairfield, Ohio 45014.  
Information Phone (513)-874-2818, Emergency Phone (800)-242-2271.

## **Section II-Hazardous Ingredients/Identity Information**

None as per 29 CRF Part 1910.1200

## **Section III-Physical and Chemical Characteristics**

Boiling point:	N/A
Vapor pressure (mmHg):	N/A
Vapor density (air=1):	N/A
Specific gravity (H2O=1):	N/A
Melting point:	N/A
Evaporation rate (butyl acetate=1):	N/A
Solubility in water:	Soluble
Appearance and odor:	Tan-Green powder or crystal, irritating odor

## **Section IV-Fire and Explosion Hazard Data**

Flash point (method used):	N/A
Extinguishing media:	Water, dry chemical, CO2, foam
Special fire fighting procedures:	Chemtrec Guide No. 11 ID No. None Call Chemtrec: 800-424-9300 USA exceptDC 202-483-7616
Unusual fire and explosion hazards:	This product may form explosive dust clouds in air.
Flammable Limits:	N/A

## **Section V-Reactivity Data**

Stability:	Stable
Conditions to avoid:	Store under dry conditions, preferably below 75% relative humidity
Incompatibility (material to avoid):	Alkaline materials, oxidizing agents may attack mild steel, avoid concentrated acids such as sulfuric or nitric
Hazardous Decomposition or by products:	Like any other organic product, combustion will produce carbon dioxide and may produce carbon monoxide, nitrogen oxides, oxides of sulfur, hydrogen chloride gas
Hazardous polymerization	Will not occur

Identity: Finn GreenPlus

## Section VI-Health Hazard Data

### **Routes of Entry:**

Inhalation: Yes  
Skin: Yes  
Ingestion: Yes

**Health Hazards (acute and chronic):** This product is moderately toxic by ingestion. Eye contact will be severely irritating. Contact with skin may product irritation following prolonged or repeated contact. Inhalation of this product may be irritating. Ingestion of large amounts of the product may cause vomiting.

Inhalation: If inhaled, move to fresh air. If difficulty in breathing, administer oxygen and get immediate medical attention.

Ingestion: If swallowed, get immediate medical attention.

Eye Contact: Wash wil flowing water for at least 15 minutes. Get medical attention.

Skin Contact: Wash affected skin area with soap and water. If irritation develops, consult a physician. Remove and launder contaminated clothing before reuse.

If still under physical stress, call the fire department and request first aid squad. When they arrive, show them the following:

Chemtrec: Guide No. 11 DOT Hazard Class: N/A

## Section VII-Precautions for Safe Handling and Use

### **Steps in case of released/spilled:**

Using an absorbent to prevent dusting, sweep or shovel spills into a waste disposal container. Wash down the area with water. Where exposure is not known, wear a NIOSH approved dust respirator.

### **Waste disposal method:**

Bury or incinerate according to federal, state and local regulations.

### **Precautions to be taken in handling/storage:**

In accordance with good industrial practices, handle with care and avoid personal contact.

## Section VIII-Control Measures

### **Respiratory protection:**

In cases where there is a likelihood of inhalation exposure to powder (dust), wear a NIOSH approved dust respirator.

### **Protective Gloves:**

Wear side-shield safety glasses.

### **Other Protection:**

Wear appropriate equipment to prevent the probability of exposure and personal contact. Deluge safety shower and eye wash should be located near work area.

### **Ventilation:**

Local exhaust is recommended, mechanical exhaust is acceptable.
